Court of Appeals
Sixth Appellate District of Texas at Texarkana

No. 06-26-00149-CV

IN RE SCHNEIDER NATIONAL CARRIERS, INC.

Original Mandamus Proceeding

Before Stevens, C.J., van Cleef and Rambin, JJ.

O R D E R

The Court has considered Relator, Schneider National Carriers, Inc.'s, emergency motion for temporary relief and stay and the agreed first supplement to that motion. The motion is granted in part and denied in part as follows:

1. The trial court's order compelling Relator to provide additional jurisdictional discovery responses, which is the subject of this original proceeding, is stayed in its entirety pending this Court's final disposition of this original proceeding or further order of this Court;

2. The deadline for the Real Parties in Interest to file responses to Relator's petition for writ of mandamus is extended from November 12, 2026, to December 11, 2026;

3. This stay applies only to the trial court's order compelling additional jurisdictional discovery responses that is the subject of this original proceeding. It does not stay or otherwise affect any other portion of the underlying trial court proceedings; and

4. All other relief requested in the motion is denied.

Unless vacated or modified by further order of this Court, this temporary-relief order remains effective until this original proceeding is finally disposed.

IT IS SO ORDERED.
