Nos. 06-26-00113-CR & 06-26-00114-CR

RICHARD DUANE COLEMAN, Appellant

V.

THE STATE OF TEXAS, Appellee

On Appeal from the 8th District Court
Hopkins County, Texas
Trial Court Nos. 2631163 & 2631164

Before Stevens, C.J., van Cleef and Rambin, JJ.

O R D E R

Richard Duane Coleman appeals from his convictions of tampering with physical evidence and the resulting sentence of four years' imprisonment, to run currently. On October 19, 2026, Coleman's court-appointed appellate counsel filed an *Anders*[1] brief, and on October 27, 2026, Coleman filed a pro se motion for access to the appellate record for purposes of preparing a response to that *Anders* brief. We grant Coleman's motion for access to the appellate record. Under *Kelly v. State*,[2] we are now required to enter an order specifying the procedure to be followed to ensure Coleman's access to the record.

On November 5, 2026, this Court mailed a paper copy of the appellate record to Coleman. Allowing fifteen days from the date of this order for the record to be delivered to Coleman and giving him thirty days to prepare his pro se response, we hereby set December 22, 2026, as the deadline for Coleman to file his pro se response to his counsel's *Anders* brief.

IT IS SO ORDERED.
